Dear Jonathan:

Thank you for your touching letter. It was kind of you to write and share your tender feelings about your grandmother. Additionally, your sweet expression of gratitude is very much appreciated.

While it has been about 90 years, I still remember dear Dora. It is obvious that she was a woman of great faith and loyal devotion to the Savior, His church, and her precious family. It makes me happy to know that she has and will continue to bless so many with her wonderful example.

Jonathan, like your grandmother, it is apparent that you are a man of great faith. You, your family, and many others will continue to benefit from the love and service you so willingly give.

May our Heavenly Father's choicest blessings continue to be with you, RaeAnna, and your precious children in all that you do. Please accept my love and best wishes always.

Cordially,
